Teleconference: Dial-in number: 1-888-844-9904
Passcode: 1470156#

Objectives

- Reflect on outcomes from previous day's discussion with leadership
- Identify tactical opportunities to address on-the-ground challenges identified; and
- Identify priorities for continued progress toward achieving Tongass Advisory Committee Recommendations.

Friday, December 15, 2017

10:00 am Opening and Agenda Review

10:15 am Overview and Reflections from Leadership Discussion

- Review key themes and outcomes from previous day's discussion with leadership
- Member reflections regarding alignment of priorities and potential implications for ongoing work

10:45 am What if? Identifying the Path Forward

- Discuss implications of potential political interventions for priorities and activities of the TTC
- Identify continued roles for the TTC to ensure continued momentum

11:45 am Working Lunch

Lunch will be provided to allow continued discussion.

12:15 pm Operationalizing the TAC Recommendations

- Discuss opportunities for addressing on-the-ground challenges identified during previous day's discussions
- Determine activities and tasks that TTC members can implement and/or assist with to encourage adaptive management and continued progress
- Review categories of recommendations to explore areas that have made significant versus little progress
- Identify priorities for focus of future efforts

1:45 pm Priorities and Action Items

- Identify specific activities and next steps in follow-up from discussion with leadership
- Discuss format and audience for communicating outcomes of TTC-related activities

2:00 pm Adjourn
